

The Rodeo Queen contestants were out last Sunday adding a touch of charm to the Kinsmen work party at the Rodeo Grounds. Encouraging the Kinsmen to get the grounds ready for the Rodeo events on June 15 and 16 are Lendy Spence, Yvonne Byl, Lorraine Gravelle, Cathy Bremault and Susan De Hek. These pretty girls are all local students and will be involved in many rodeo and beerfest activities. The lucky queen will be crowned Sunday, June 9th at Lions Park during the ceremonies opening Rodeo Week.

Province will spend \$220 million to aid transit

The Hon. Clarence Copithorne, Minister of Highways and Transport, announced a six year program to provide over 220 million dollars of assistance for urban transportation, in the legislature Monday. The program will aid Edmonton and Calgary and smaller urban centres in expanding transportation systems in three areas: public transport, arterial road systems and planning and

research for both items. Edmonton and Calgary are among the fastest growing urban areas in Canada, the Minister said.

Support for public transit systems will include buses, rail systems, light rapid transit, dial-a-bus and so on. They will be developed with a view to future expansion and flexibility, an example of which would be the extension of a public transit system to satellite towns like St. Albert.

One hundred and two million, 600 thousand dollars are committed for public transit under the policy. One hundred and eight million will go to support arterial roads and urban highways to carry traffic rapidly into city cores.

The third part of the program commits nine million, 600 thousand dollars for studies and planning of major urban transportation needs. This may be the least visible, but many ways the most important part of the program, said Mr. Copithorne.

All Alberta cities are growing, with their biggest growth probably yet to come, he said, so that the government must consider their problems with transportation within the central core and the suburbs. It is our intention, said the Minister,

to work closely with the various local authorities in the cities and their surrounding areas.

Co-operative planning between the urban municipalities and the provincial government on metropolitan transportation systems will be essential, said Mr. Copithorne and the intention is to establish a joint organization between the urban governments and the provincial government.

Environmental Impact Assessments of proposed transit systems will ensure that a system is not detrimental to the environment.

General Requirements of the program ask that Edmonton re-confirm its resolution of February, 1973, in giving priority to the north-east leg over other routes and to assure the province that this leg is operational before another leg of the system is considered. Should the city not wish to proceed with its existing rapid transit plans, it will be governed by the requirements of the program.

Operations subsidy will be provided for approved transit systems amounting to 50 per cent of the deficit annually, but subject to a maximum limitation of \$3 per capita per year. This assistance will apply for a two year period and then be reviewed.

Council looks at townhouse proposal for Grandin Park

Town Council heard a proposal for a town housing development in the Gloucester and Goodridge Drive area of Grandin Park at their meeting May 27, when all council was present.

Mr. Soprovich of Gervais Plaza was present for his appointment to answer questions of council.

Town Council considered a proposal for a 60 unit Town House development between Goodridge Drive and Gloucester Drive and backing on Gervais Road at their meeting May 27, when all council was present. Owing to a number of councillors being at a conference at Banff, there was no meeting Monday of this week.

Mr. Soprovich of Belvedere Developments Ltd. was present for an appointment to answer questions on the proposal, and council had before them recommendations of the planner and a letter putting the developers position. The property is zoned to accommodate the development.

The planner objected to vehicle storage area abutting single family homes and felt the 10 foot landscaped strip proposed was not ade-

quate screening. He was further concerned that units fronting Goodridge and Gloucester would encourage curbside parking by tenants and visitors. He felt that an exceptionally large central active

games area had been created at the expense of crowding the buildings too close together, and that the entire plan was rather rigid and formal in layout.

Rate increased Business Mill

A recommendation by Coun. Bakker to establish as a guideline, a mill rate for municipal purposes of 42 mills, plus the difference resulting in a lower levy for school foundation purposes on commercial and industrial properties, so that the total mill rate would be the same for both residential and commercial/industrial properties was carried at a Special Committee of the Whole Meeting held May 22nd.

Councillor Lukay's motion to recommend to council that the business tax levy be left at its present 32.5 mills was lost 5-1. Coun. de Bruijn was absent from the meeting.

The recommendation to council moved by Councillor Thronson that the 1974 bus-

ness tax be set at 36 mills was carried.

A recommendation that replacement water mains on St. Anne Street from Perron to Highway 2, and on St. Michael Street from Perron to Highway 2, be financed from local improvements, and further that the principle of financing the replacement of worn out services under local improvement be approved, was also carried at the special meeting.

Other recommendations carried were to institute a charge of \$50 on the installation of a water meter, effective July 1, 1974; that staff report on the present system of water deposits and remote reader sales, and that staff report on the feasibility of

Bike Decorating Contest

St. Albert Kinettes are sponsoring a Bike Decorating Contest during Rodeo. Entrants are to be at St. George Simpson School, Saturday, June 15 at 9 a.m. where judging will take place.

There are three categories: Best Western, Most Comical and Most Original. Prizes are \$5 for firsts and \$3 for seconds in all categories.

Kinettes will be present to take care of details but parents are asked to be present at the Fair Grounds to pick up their children participating in the parade.

For further information call 459-8938 or 459-4371.

Think Sun and Join the Fun.

The Parliamentarians from the United Kingdom who visited the Sweetnam farm near Namas found themselves looking at farming methods which are radically different from those practiced in their own country. The fact that cattle are kept out in the midst of Canada's harsh climate was one aspect of Canadian farming that they hadn't imagined. The delegation from left to right are: Rt. Hon. J. A. Stodart, Mr. W. Baxter, Joint Chairmen of the Group; Mr. Andrew Bowden; Mr. H. Davin, Transport Officer; The Earl Ferrers; Mr. W. Klatt, Sturgeon District Agriculturist, and Mr. J. Calpas, Director of Extension, Alberta Department of Agriculture. See Page 20

Rodeo Week

June 9-16

Lack of support fors Pedal Pushers

Very few parents have volunteered to help with the Pedal Pusher Club and unless a great deal more assistance is forthcoming, this very worthwhile and necessary program WILL NOT BE HELD.

The sessions will be held from 7:15 - 8:15 p.m. on June 10, 12, 14, 18, 20 and possibly on the morning of the 22nd if the weather has caused a cancellation. Really a very few hours and parents, your children's lives could depend on those hours.

Registration forms were distributed in the schools and were to be returned on Wednesday, June 5 to Leo Nickerson or Sir George Simpson Schools - whichever is most convenient - between 5:30 and 7:30 p.m. Parents can volunteer their services at that time.

An organizational meeting will be held in Sir Alexander Mackenzie School on Thursday, June 6 at 8 p.m. when instructor's guides, will be distributed. If you are unable to accompany your child to registration, make sure you attend this meeting; do not leave it all to the parents of other children.

The program is sponsored by the St. Albert Safety Council and the Town Parks and Recreation Department.

townhouse proposal

Continued from page 1.

Mr. Soprovich, whose firm owns a number of town houses and apartments, had different ideas and his letter stated that tenants want living rooms looking over the street, kitchen-dining areas overlooking a private yard and playgrounds that can be viewed from the house. In reply to a question of Coun. Lukay, he said the width between buildings is actually over what is required by CMHC and noted that all but four units look on open space. He said the whole side along Goodridge would be fenced to five feet, with a treed buffer strip going

Town of St. Albert

NOTICE OF PUBLIC HEARING

The Council of the Town of St. Albert, having been given authority under Section 119 of the Planning Act 1970 R.S.A. as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone from Agricultural (A) to Residential Single Family R1C, School (S) and Park (P) the portion of the SW 2-54-25-W4th, SE 3-54-25-W4th and NE 34-53-25-W4th as shown on the attached map.

The proposed Bylaw No. 18/74 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Town Clerk, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 24th day of June, 1974 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Town Clerk at his office until 4:30 p.m. on the 18th day of June, 1974. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. Bowen,
Town Clerk,

Residential Development of Lakeview Area Discouraged

A recommendation was passed at the Regular Committee of the Whole Meeting held on Tuesday, May 21, that council should not consider residential development in the Lakeview Industrial area. The recommendation resulted from a request from Brookdale Investments Ltd. to discuss the possibility of a residential development in that area.

Mr. L. J. McCoy, president of Brookdale Investments, was heard by the Committee of the Whole without an appointment and gave a brief outline of what was envisioned for this area which he said 'tends itself to residential rather than industrial' use. The land includes sewage lagoons and nuisance grounds which are to be phased out of use and Mr. McCoy proposes that they 'could be developed either into a park or water area or some form of recreational area.' The residential development, according to Mr. McCoy, could accentuate the area to make it a lot more than an ordinary residential area but rather would create a 'high class' residential area.

'Our proposed residential area could be developed so as to accentuate the ravines and water holes already present. To combine them by connecting ravines and walkways with and to an adjacent recreational and park area on the site of the present sewage lagoons and nuisance grounds.'

Town Development Officer D. G. Brownlee, in prior communications with the Chief Administrator had concluded 'our initial reaction would be to discard the area as a location for residential development, rather, consider the possibility of a recreational area.'

The proposal is scheduled for consideration at the council meeting on Monday, May 27.

Polish Climbers visit St. Albert En Route to Alaska

The Polish Mountaineering Club Expedition, Alaska 74, made an overnight pause in Edmonton on May 30 before taking the Alaska Highway to the Northern peaks which they will attempt to climb. The expedition has taken over 18 months of preparation.

The 12 man team and 16,000 pounds of equipment left Poland early in April with the backing of the Polish Government and businesses of that country. The two trucks which have transported them across Canada plus most of the equipment are donations from the government and the Polish manufacturers.

The objective of the expedition is to scale two of the highest peaks on the continent, Mt. McKinley (in Alaska) and Mt. Logan (in the Yukon), and the climbers intend to film their activities during all phases of the adventure which will be prepared as a movie to be donated to the Canadian Government.

The climb should take two or three weeks and probably four of the members of the expedition will actually stand at the summit. The entire expedition will take more than six months.

A special radio link has been authorized for communications with Poland from Canada during the climb, a probable first of its kind, and the climbers will be in radio contact with their homeland on the other side of the world. They will be ready to begin the climb around the 10th of June. Both of the mountains near 20,000 feet in height.

The destination is the North, the task is to climb the highest peaks on the continent. The Polish Mountaineering Club Expedition - Alaska 74 stopped off at Stan Wasykiewicz's S & W Service on the St. Albert Trail before making the long journey on the Alaska Highway.

Before heading off to the North, the mountaineers stopped at the S & W Trail Service Station on the St. Albert Trail to visit and bid farewell to Stan Wasykiewicz, the proprietor of the station. Mr. Wasykiewicz is a distant relative of one of the mountaineers.

Congratulations

AND ALL GOOD WISHES! ON THE BIRTH OF THE BABY!

The Welcome Wagon hostess will bring a basket of gifts for new babies and parents. Please telephone Connie Tremper at 459-6729, and let her know when there is a new baby in your house.

Recreation Report suggests many ranging needs

Further recommendation in the new Recreation Report as reviewed by the consultant, Mr. G. Shelley, at a meeting with council on May 8th, called for overall priorities to be adopted and followed, with the first requirement to determine physical facilities needs, along with priorities.

In this connection Mr. Shelley said the parks and recreation departments should continue to be kept together and look into the same budget. It will be necessary, he said, to schedule where and when pool and arenas and park areas are to be developed, with similar schedule for program services, the latter to be the responsibility of the recreation staff as to recommendations.

Wouldn't that be a responsibility of the parks and recreation superintendent? asked Coun. Fyfe, and Mr. Shelley said he would hope the recreation board, (a citizens board) would be actively involved with the P & R Department, regrading the needs of people. They should also be involved in other areas, such as parks, but recommendations come to council for approval. There are just so many dollars to be spent, which is a prime responsibility of the superintendent, he said.

A parks and recreation services directory was another recommendation of the report. The variety and extent of programs is very diverse, with many opportunities for new people. The directory, suggested Mr. Shelley should be prepared by the P & R Department and circulated. Coun. Hudson noted that he had recommended some time ago that a quarterly calendar of this nature be prepared, which would be more season oriented and helpful in registrations.

Mr. Shelley agreed that a quarterly directory would be better, but annual would be better than nothing. "We have several examples of such directories which are effective," he added.

He also told council that continuing education programs can be a helpful indicator as to the demands in leadership etcetera.

A public meeting should be called by the P & R Board said the consultant, which

would serve two purposes - council would be exposed to various requests, and the board could act as a buffer. He felt that the board should give people such an opportunity for a public meeting once a year, allowing for a good long session.

"That is not in your P & R bylaw draft," said Coun. de Bruijn. The wording should be changed from "should" call such meetings, to "shall", in order to ensure it is done.

The parks and recreation department should also report annually through a document at the end of the fiscal year which would tell the people what services were provided for, how many dollars, actions that council has taken, and so on, said Mr. Shelley.

He felt also that a greater portion of the budget should go into leadership training and development, and that more outdoor programs are needed. You have a good cross section going, but many are limited in registration, and on the basis of our survey there is need to expand in curling and many others.

Your cultural activities here are much better than in other communities of similar population, said the consultant, but you will need to expand there as well as the outdoor programs, and there is a problem with resource people. All this is not easily solved.

Coun. Hudson said public concern had been expressed that there was not sufficient park area. Did you hear this in talking to organizations, to males? to the general public? I thought there would have been more consultation with people by your firm. Mr. Shelley said the P & R Department has records and that source and others gave a pretty good idea of the demands. We encounter problems because of a gap between what people say they would like and what they would do. Dealing with human variables is not a good instrument, he said, and not proven effective.

I don't think I can accept all the needs as you have mentioned them, said Coun. Hudson, and Mr. Shelley said he could provide his worksheets.

A recommendation on the

role of clubs, said it would be increasingly difficult, according to previous studies which are a matter of record, for clubs to provide services. They can't carry on for cities, when organization and co-ordinating becomes too difficult. It is not realistic for them to carry 90 per cent well into the future, said Mr. Shelley.

Programs should be decentralized and offered on a district basis, said the report, and council will encounter problems with community wide services. Someday you will find this unworkable, said Mr. Shelley, with facilities not properly located and so on. Neighborhood district planning was recommended, and also a policy of facility standards.

A large park along the Sturgeon River should be considered - this may be a long term plan if the decision is made now. The river valley offers the best resource in town, said the consultant. The report recommends watershed rehabilitation, noting that the value of the river has depreciated over the years and water detention is down to where

the river is no longer a resource. The Department of Environment should be encouraged to do necessary upstream work. We looked at the point downstream proposed for a weir with M.D. Sturgeon people, but have some reservations about the effects of a weir, which will act as a sediment basin for upstream, said Mr. Shelley.

Council was also advised to get sufficient physical area for a centralized park in the future. A multiple use trail should be planned to fit into the Waskahagan system for winter and summer use. The consultant felt there are not adequate park reserve areas, which will be a problem in the future. As an example it will be necessary to replace the rodeo grounds and there is not a site available now - possibly the lagoon area could provide a site.

It was also recommended that under a phased development plan land area should be consolidated to allow for family recreation centres in three major districts to include an arena, pool, curling rink and teen centre on one site for cost savings.

The present pool is not convertible to an indoor pool according to the structural engineer that the consulting firm had out.

Coun. Thronson asked if the background data is available on the report, and Mr. Shelley said it was. If all was included the report could have run 700 pages, he added. More data would be useful, said Coun. Lukay, since a questionnaire on the matter is to be made available by the town. The supporting data will be filed with the Department of Parks and Recreation, said Mr. Shelley.

Members of the interim Recreation Committee were present in the gallery and Mr. Charles Schroder said that five or ten really significant recommendations will have influence over the years and thought it would be more fruitful if these could be identified with regard to overall policy, and discussion of the report could be focused on these. A further meeting was set for May 14 on the report, and Mr. Lorne Wood of the Recreation Committee asked if shortly afterwards the committee could look for some indication on

what stages will be followed up concerning the recommendations, in the near future. This committee was established a year ago, he said, and we are at the report stage, also the population has grown by about 2,500.

Mr. Dick Plain of the Community Planning Association was interested in what part does user cost play. This will be important in the choices made he said, and asked if an outline plan of what is being done now regarding fees for programs could be made available. Mr. Shelley said his firm had user revenue figures compiled and they will be available.

A previous article on the reported note that four mills (about \$168,000) annually and a debt of \$50 per capita were proposed by the consultant as a reasonable expenditure, although he admitted when pressed by council that four mills might not be sufficient.

In 1973 \$168,329 was spent on recreation services plus \$28,680 on administration for a total of \$197,000 which represented six mills then and included no capital costs.

Knights elect new officers

The Knights of Columbus St. Albert council, elected a new executive at their May 23 meeting to be installed in early September. New officers are: Don England, Grand Knight; Bert Cyr, Deputy Grand Knight; Al Alain, Chancellor; George Shaver, Recorder; Laurier Regimbald, treasurer; George Weller, Advocate; Norbert Duhaime, Warden; Vic Soetaert, Inside Guard; Mickey Casavant, Outside Guard and George Hartmetz, Trustee. Returning trustees are Roger Montpetit and Roger

Caouette.

Plans were made for the K.C. Klondike Festival in St. Albert arena to be held two nights, July 12 and 13. The services of Bob Arnold of CJCA have been procured

as master of ceremonies and the Capris will be on the bandstand. Bob Allinott is in charge of the project and the plan is to pre-sell tickets.

MISSING HOCKEY SWEATERS

The Kinsmen Minor Hockey Association would be most pleased if all coaches would try and gather up all hockey uniforms they were given at the beginning of the

hockey season. There are still a lot of boys wearing them around and parents should get in touch with their sons coach and have him pick it up. If they are not returned some boy will not get to wear one next season.

PTA hears guest on psychology

The Leo Nickerson PTA meeting was held in the Music Room on Wednesday, May 29. Mrs. J. Irwin, president, gave a report on the rummage sale held recently. The sale was very successful and realized a net profit of \$450. Mrs. Irwin also reported that the PTA has requested the Town to install a flashing light at the intersection of Farmstead Road and Cunningham Road.

John Arnot, principal, informed the meeting that grade six students would be leaving on Monday for one week's stay at Pioneer Ranch Camp in Sundry. Grade two students will participate in a swimming program starting Monday, June 3, sponsored by the Town of St. Albert and District 6. Pre-registration for the September 1974 grade one classes presently stands at 68.

The executive, appointed by acclamation, was as follows: President, Jeanne Irwin vice president, P. Beale; sec. treas. B. Magdalinski; program committee, J. Kalachin; coffee committee, L. Black and publicity chairman C. Van Kesterer.

The meeting was then turned over to Dave Thomas who introduced the guest speaker, Miss Doreen Kostinuk from the Edmonton Separate School District.

Miss Kostinuk subscribes to the Alfred Adler theory of individual psychology. She

talked on normal everyday behavioral problems of children and how parents react to them. She said that it is important to understand a child's logic and to find out his goals. A misbehaving child is a discouraged child and when a child is discouraged he becomes attention seeking. Miss Kostinuk did not prescribe any magic formula on how to make a child behave. Her suggestions were sound and practical. Set the child limits and praise him when he does well at something. Use natural consequences to teach the child co-operation. Try not to be hurt when the child appears to hurt you. Do not

use the reward system because he will expect material rewards continually if you do. Your praise should be reward enough. Teach your child respect by respecting him as an individual and encourage him to become responsible. Other points mentioned by Miss Kostinuk included the "power game" where the child and parent jockey for power over each other and "assumed disability" where the child feigns inability to seek attention.

The meeting closed with an announcement by Mr. Dave Thomas that he hopes to see a parent study group on Alderian theory started this fall.

Long training hours pay off

The Alberta Provincial Junior Synchronized Swimming Championships were held at NAIT June 1 and 2 and for two St. Albert girls their many hours of practice since September have paid off. Michele Bjornson, age 12 of Sir George Simpson and Dawn Bjornson, age 10 of Robert Rundle were proud to be members of their respective teams in the 700 Wing Kippers, hosts of the competition. Michele and her 12 and under team took the gold medal for Alberta and

will be going on to the Nationals in Burnaby the end of June. As well, Michele and her duet partner won the bronze medal for 12 and under duets and were chosen as alternates to the nationals.

Dawn and her 10 and under team took the championship for Alberta and Dawn along with Gail Peterson placed third for duets. Another duet team from the Kippers, won first place for duets. The 700 Wing Kippers are coached by Janice Richards.

Don't rules changed - drownings increased

Back in the good old days -- before new math and Dr. Spock -- there were rules and regulations covering just about every activity people did. And like the Ten Commandments, most of the rules began "Thou shalt not" or "Don't" or "Never."

Red Cross Water Safety rules were like that too. "Don't swim alone," "Don't dive into unknown waters," "Don't overload your boat."

Psychologists said this was the wrong way to app-

roach the problem. They claimed that "Don'ts" and "Nevers" turned people off. So the writers of rules and regulations went back to the drawing board and they re-phrased everything. "Don't cross the street on a red light" became "Cross the street with the green light only."

"Don't swim alone" became "Always swim with a buddy." "Don't dive into unknown waters" became "Investigate unknown water

before you dive in."

And so on. We sugar-coated the instruction pill.

Last year 1,339 people drowned in Canada -- an increase of 173 over 1972. Most of the increases occurred in the age group 16 to 30, people in the prime of life.

Has the sugar-coated pill become a placebo?

In an effort to "avoid turning people off" have we made them turn a deaf ear instead?

No one wants to go back to the time when people feared the water. Swimming and

boating are good, healthy activities. But a little more respect for the dangers is certainly indicated.

National Water Safety Week in Canada is June 2-8 Gil Gilmet, director for Alberta - N.W.T., Red Cross Water Safety Service, says "Any sport is more fun when you know the rules. The more skilled you are the more fun you have; the more skilled you become, the safer you are. The Water Safety Service wants people to enjoy aquatic activities in safety. Common sense goes a long way, but you need skills too.

Common sense doesn't tell you how to perform rescue breathing or teach you how to throw a ring buoy. These are not difficult skills to learn, but they are skills which must be taught by an expert.

"If I may use that word

the psychologists hate: Don't let another summer go by -- enroll in a Red Cross Water Safety course this year. Learn to swim, learn to swim better, learn to handle small boats, learn the rules of water rescue and self-survival.

THANK YOU

I WISH TO SAY THANK YOU TO ALL MY FRIENDS, BIG AND SMALL WHO MADE MY FAREWELL PARTY UNFORGETTABLE. I WAS DEEPLY MOVED TO SEE SO MANY OF THE STUDENTS WHO ATTENDED THE FIRST KINDERGARTEN CLASSES.

A SPECIAL THANKS TO THE LADIES WHO MADE ALL THE ARRANGEMENTS. MAY THE LORD BLESS YOU ALL.

MRS. J. KWAK.

Metric Weather

Another meteorological phenomenon soon to be measured in metric units is precipitation. Precip will be measured in millimeters which involves another simple multiplication exercise - inches X 25.4. For example, 1/2 inch of precip in the metric system is 1/2 x 25.4 or 12.7 millimeters.

Measuring wind speed in units of kilometres per hour involves a conversion from miles per hour. The process of conversion simply involves M.P.H. X 1.609. A wind speed of 20 m.p.h. is equal to 20 x 1.609, or 32.08 kilometres per hour.

A temperature of 22 de-

grees may not sound very warm unless you are using the Celsius system, part of the metric units soon to be commonly used in Canada.

The procedure employed to make the conversion from Fahrenheit degrees to Celsius degrees involves a simple math formula - Celsius - (Fahrenheit - 32 x 5/9). For example, 70° F minus 32 is 38, 38 x 5/9 is 21 and a bit or 22°, therefore a temperature of 22° C is actually 70 degrees on the Fahrenheit scale.

Soon, all temperatures will be issued in weather reports in the Metric system of units, the Celsius temperature.

Seniors to hold picnic at park

At their May 30 meeting, the Seniors were favored with the showing of color slides and commentary by Miss Marie Wolniewicz, of her travels to Australia, New Zealand, Guam and the Fiji Islands. Followed by bingo and luncheon.

On the business agenda, Mrs. Szuba announced several news items of interest to seniors, foremost, to hold a picnic in Lions Park June

13.

Seniors will bring their own lunch and Noe Boisvert will stoke the fires, so tea and coffee will be served ranch style. Games of horseshoes, ground darts and a sing song will provide entertainment, and all older folk in St. Albert are invited to come along to the park for fun and play. In case of rain the Seniors will gather in the Community Hall.

Things To Do

AROUND TOWN

The Sturgeon General Hospital are hosting a "thank you" coffee and dessert party in the hospital cafeteria on Monday, June 10. It is hoped that all volunteers will be able to attend.

A good number of local people dropped in at the Progressive Conservative headquarters on the Mall Friday to have a cup of coffee and chat with the Hon. Marcel Lambert at an 'open house' evening to officially open the St. Albert headquarters for the Edmonton West campaign for the July

federal election. Assisting were Derek Browne, Lena Post, Joyce Welsh and Vera Parks.

Phil Bateman, secretary of the St. Albert and District Chamber of Commerce advises that the Chamber has had approval of a Provincial S.T.E.P. grant to hire two individuals on a part time basis to man a Tourist Information booth at the office of the Northgate Motel. It is expected the booth will be in operation towards the end of June.

The following St. Albert residents are candidates for graduation from Grant MacEwan Community College: Dianne L. Fennessey - Early Childhood Development;

Kathleen E. Preclaw - Communication Arts, Audio Visual Technician; Michael Ross - Nursing Education; Colleen M. L'Hirondelle - Law Clerk.

Drug and Alcohol Info in St. Albert

A 'road show' prepared by the Alberta Alcoholism and Drug Abuse Commission to acquaint citizens with services available to the alcoholic and drug abuser

will be in St. Albert on June 15 and 16.

A portable classroom is being operated by four staff members who will show films, answer questions, and provide accurate and up-to-date information about alcohol and drugs. This has been made possible through a Government of Canada grant supplemented by the Alberta Alcoholism and Drug Abuse Commission.

The portable classroom will be at various fairs, exhibitions, and rodeos in Alberta throughout this summer.

FLIKING

THE APPRENTICESHIP OF DUDDY KRAVITZ

A CANADIAN PRODUCTION! (A very good one). A new and different success story - a Jewish success story. Richard Dreyfuss, the outstanding actor from American Graffiti, is back, this time portraying a young Jew, who tries just about every angle to become rich. And who'd ever of thought that he'd be able to do it. On his way to riches, Duddy, has to step on a lot of people, and some people who really matter to him, but young Kravitz couldn't let that stand in his way. Duddy found his way to the top - the lonely top. A very good portrayal of people as they are.

THE APPRENTICESHIP OF DUDDY KRAVITZ is now showing at the Westmount B Cinemas, phone 455-1799.

THE LAST DETAIL

A very harsh and independent sailor (Jack Nicholson) and a fellow seaman are assigned the duty of transferring a prisoner to a different prison. The prisoner, a petty thief, is a soft, very mild-mannered man whom Jack believes should be toughened up and made into a man before going behind bars. Along with this, Jack and buddy show him and themselves a good time. There is some coarse language, so all you saints be forewarned.

THE LAST DETAIL is at the Roxy Theatre, 10708 - 124th Street, phone 422-8223.

BUTCH CASSIDY AND THE SUNDANCE KID

It's back! See it again! Of course it's a good time to bring it back to the city, since the Sting has promoted it, but what a good movie! Possibly the best Western ever produced. Paul Newman and Robert Redford play two of the most notorious outlaws in American history, their loves, laughs, fights, feats, fame and death. A good picture to take your favourite girl to.

BUTCH CASSIDY AND THE SUNDANCE KID is presently showing at the Paramount Theatre, 10233 - Jasper Avenue, phone 422-7981.

Last week, FLIKING went to the screening of MAKIN COUNTY LINE, which should be opening when Jasper Cinema becomes the Twin Jasper Cinemas sometime in August. FLIKING will feature this movie at that time, and urge you to watch for it, as it is a movie you won't want to miss.

Puppet show on Indian Legends

This Saturday at 2 p.m. in the Library, the Puppetry Class of the Arts and Crafts Guild will present their handiwork in a puppet show of three Indian legends. The production will mark the end of the spring course and about 30 puppets all made

by the students will be used in the show.

The show itself will be of interest to long time St. Albertans because the script is part of the tape of the Town's Centennial Pageant put on in 1967 on the Seven Hills. The author of the pageant, Keith Hamilton, still lives in St. Albert and kindly provided the tape as the basis of the puppet production. Three short sections of the pageant, all Indian myths will be performed with puppets.

The 15 students in the puppetry class range in age from 7 to 12. They are: Stephen deWit, Lori Heron, Pamela Kerslake, Andrew Alkman, Kelvin Blais, Robert Wood, Linda McLachlan, Catherine Fyfe, Ann Chabot, Heidi Engler, Wolfgang Engler, Colin Robertson, Barbara Broda, Brian Bakker, and Paula Pesklewis. The instructor for the 10 week course was Don Mills.

OPEN HOUSE

The Art 10 students at St. Albert High will hold the school's first art open house on Monday, June 10 in the art room at the high school. Everyone is invited to drop in and see the students' work from 1 to 3 in the afternoon and from 7 to 9 in the evening. Besides the finished work that will be on display, students will be demonstrating the various skills and crafts learned during the past term, including weaving, printing, painting and ceramics. Everyone is welcome and refreshments will be served.

REGISTRATION MEETING

THE RIDGEWOOD TERRACE MOTHERS' CO-OPERATIVE NURSERY SCHOOL will hold its Annual REGISTRATION MEETING on Wednesday, June 5 at 7:00 p.m. to 9 p.m. at the Ridgewood Terrace Clubhouse

Cost per person for course is \$8.00 payable at commencement of course on June 18th.

Dance students perform well at Festival

For the second year, the Northern Alberta Dance Festival held in Edmonton last week was a huge success, and once again students from St. Albert School of Dancing brought home their share of awards. Approximately 1,500 entries from Alberta, Saskatchewan, Toronto and Spokane Washington took part.

The adjudicators were Miss Beverley Fletcher of Niagara Falls, N.Y., U.S.A., and Miss Lois Smith from Toronto.

Students from St. Albert School of Dancing were awarded 16 first places, 12 seconds and 11 thirds.

Dance scholarships for promising performances were awarded to Cindy Alford, Kerri Martin, Nicole Belley, Julie Rumpel, Tanni

Cyr, Sabrina Boese.

At the end of the festival a show comprising of outstanding performances throughout the week, took place on Saturday night at the Jubilee Auditorium, and St. Albert School were honoured to have two of their numbers selected by the adjudicators, for the show.

Miss Fletcher expressed surprise at the wide range of dances, which included song and dance routines and national dances. The New York adjudicator also found the standards out here higher than she had expected.

Approximately \$2,600 was awarded in scholarships to some 50 dancers.

Adjudicator Lois Smith was pleased with the rising levels of ballet in Alberta.

Fishing News

Lakes in the St. Paul Region are recovering from spring melt and roads into the Wolf Lake area are rough and pitted. The road into the Seibert Lake region are very rough and wet. Four-wheel drive units equipped with winch are recommended in the area.

Stream fishing in the Edson Region is poor with high water levels and muddy water reported for most streams. Most roads are soft but passable.

Grande Cache and Victor Lake are now open for fishing, but no reports on species biting are available.

Lady Lions barbeque

The Lady Lions last meeting until September will be a barbeque for members and husbands in Lions Park on June 10, 1974 at 7:30 p.m. There will be an alternate place in case of rain.

Any Lions' wives interested in Lady Lions are welcome to come and bring their husbands. Please call Judy Simpson at 459-5335.

June 10 opens Kinsmen Rodeo Week and the Lady Lions are assisting with the Lions Rodeo Breakfast.

A's remain undefeated in Sturgeon Fastball

St. Albert "A's" recorded their sixth straight win Monday night with an exciting 1-0 victory over Spruce Grove Panthers in St. Albert.

Stony Plain Playboys held onto second place in the 10-team Sturgeon Men's Fastball League with a 9-1 win over the Calahoo Chiefs in Calahoo. The loss was the second of the season for Calahoo and dropped them into fifth spot. St. Albert Inn travelled to Spruce Grove and ran away with a 11-1 win while Enoch beat Onoway 3-1.

Fairhaven Falcons scored a close 8-7 win over the Stony Plain Kings. Fairhaven received excellent pitching from Dick Repka along with a two-run homer by catcher

Bob Althouse.

The A's scored the only run of the game in the sixth inning against the Panthers as Dick Bird held the Panthers scoreless. Wally Gamble took the loss.

The win for the A's was their 11th straight including tournaments and the team has yet to lose this season.

Stony Plain Playboys took advantage of some Calahoo errors and came away with an easy win. Veteran Gerry McGinn took the win while Gary Acheson was the losing pitcher.

St. Albert Inn received homeruns from coach Ken Payne, Rick Richardson and Ray Rodgers in their win

over Spruce Grove Juniors. Charlie Gavis was the winning pitcher.

STANDINGS AS OF JUNE 3:

Sailfish relay meet 1st day Rodeo Week

St. Albert Sailfish Swim Club open their 1974 season on Sunday, June 9 from 1 p.m. until 4 p.m. This is an invitational relay meet consisting of 30 events and is being held in conjunction with the Kinsmen Rodeo Week which celebrates the Town birthday.

Competition should be very fierce and, as all the

Sturgeon ladies golf news

Twelve women drove out to the golf course yesterday morning in hopes to play their matches, but were unable to golf due to rainy conditions.

Last week's hidden hi-hole winners were - 1st Florence Bittman, with runner-up Rose Williams.

A number of lady golfers are entered in the Lancaster Park tournament on Saturday with results to be published next week.

events are relays, some exciting competition will be seen. Teams attending are Camrose, Leduc, Fort Saskatchewan and St. Albert and many of last years provincial champions will be among the competitors.

The first event also promises to be an interesting one as this is a special relay consisting of teams from other organizations. The Kinsmen and Kinettes are entering teams as are the Knights of Columbus, the Lions Club, and a team from the Percy Page Recreation Centre. Last year the Kinettes carried off the first prize but the other teams have been waiting a year for revenge. In addition to a prize for the first team home in this event there will also be a prize for the team in the most original attire.

MLA Ernie Jamison will officially open the relay meet at one o'clock.

Spectators are assured of good entertaining and competitive swimming at this meet and there is no charge for admission.

Rams on the move see lots of action

St. Albert K of C Rams intermediate lacrosse team coached by Ted Edmundson and managed by Al Alain played three games in four days over the past weekend and came up with a tie, loss and a win in that order. Mr. Alain feels the club is starting to move now as they came up with a good third period effort in all three games.

On Friday the Rams travelled to the Jasper Place Arena for a game against the South Edmonton Sun Devils that saw them losing 3-1 early in the third and final period. While playing two men short, Rams Doug Leach scored an unassisted goal at 4:42 to put St. Albert back in the game. At 12:22 the Rams tied the game when Mark Abrams took a pass from Jayne McKay and scored. The goal came on a Rams power play. Lee Burak scored the other Rams goal.

On Sunday the Rams outscored the Edmonton Blues 5-4 in the third period but lost the game 8-7 at Jasper Place Arena. Ron McHenry and Barry Querengesser led the Rams scorers with two goals apiece while Burak, Abrams and Dave Coglein added singles. Rams were

The K of C Rams lacrosse team is felt to be 'on the move' by manager Al Alain after the intensive series of games they played last weekend. The action is increasing fast and numbers of spectators are taking interest in the game.

down 5-2 early in the third period but just couldn't get

the tying goal even though they managed to come within one or two occasions.

On Monday night in St. Albert, the Rams scored five third period goals to come from behind and win 11-8 over West Edmonton. Rams trailed 4-2 and 8-6 before coming up with a strong third period to win going away. Ron McHenry had a big night for the Rams with four goals, while Gary Dickie added three.

Querengesser, Abrams, Mackay and Larry Lawrence added the other Ram goals.

Rams goaltender Dan Lozink had three assists to help his team out.

Tom Lyons scored four times for West Edmonton.

RON McHENRY

Baseball Deadline Extended

The Alberta Baseball Association has extended the registration deadline for mosquito, beaver and bantam entries.

Registrar Doris Taylor, of Sherwood Park, said league registrations will be accepted if they are postmarked not later than June 12. Player registration in these three minor categories must be in by June 21.

The deadline for midget, bison, junior and senior entries has not been changed. Mrs. Taylor noted. It remains at June 15 for league and team affiliations, and June 25 for player registrations.

Persons interested in further information should contact Mrs. Taylor, 99 Willow Street, Sherwood Park, telephone 467-0892.

Open tennis tournament attracts 63 entries

The St. Albert Club hosted its seventh annual invitational tennis tournament over the past weekend. This was however, the first year the tournament has been an open event (in past years it has always been a B event) since the number of A players in the St. Albert Club has been steadily increasing. The tournament attracted a total of 63 different entrants from a variety of clubs: (Garneau, Glenora, Derrick, Hillcrest, University, Calgary Glenmore) and the winners in all cases were A players.

Players were allowed to enter only two events and there was only one person to emerge victorious in both events they entered - Max Jean-Louis of the Garneau Club. Maxim defeated Keith Kachuk of the Hillcrest - Glenora Clubs by 6-4, 6-2 in the final of the mens singles (which attracted a total of 37 entrants). Maxim's second win came in the mixed doubles when he tea-

med with Sue Gilbertson of Garneau-Glenora to defeat Betty Ontkian and David Kirk of the St. Albert Club 0-6, 6-4, 6-4 in the closest final of the tournament.

The ladies singles finalists were both from the Glenora Racquets Club of Calgary and Roxanne Nelson (fifth ranked lady in the province) upset Zdenka Servus (fourth in the province) by 6-0, 4-1 at which point Zdenka defaulted due to stomach cramps.

The mens doubles champs were Peter Teasdale and Ray Tomusiak of Garneau-University Clubs and they defeated Dave Cox and Gerry McIlveen of the Glenora Club 6-4, 6-4. The only members of the local St. Albert Club to emerge as winners were Betty Ontkian and Judy Wood who defeated Cynthia Baker and Peggy Van Aman of the Hillcrest Club 9-7 in the final of the ladies doubles double elimination competition.

Secondary winners (for those who lost their first round match) were as follows ladies singles - Joan Gates (St. Albert); mens singles - Bob Bell (Derrick); mixed doubles - Jean McLaws and Paul Gratzner (Garneau); mens doubles (incomplete) - Roman Mureika and Al Hoge OR David and Steven Kirk (all of St. Albert).

There were several spectators on hand Sunday afternoon to watch some of the hard fought matches. Special thanks are due to Bob Green and Angela Miller (tournament captains) and Lorne Wood (president) for all the time and effort they spent in very capably running the tournament.

The senior Interclub league got underway two weeks ago and all three St. Albert teams have played two games each. The A team (Dave Kirk, Roman Mureika, Betty Ontkian, Judy Wood and Shannon

Lindenberg) defeated Derrick 5-3, and then were defeated by Glenora 8-0 (Dave, Betty, Judy, Al Hoge). The B1 team (Peter and Angela Miller, Roger Lebel and Donna Jackson) were defeated by Hillcrest 1 by 5-3, and also by Hillcrest 2 by the same score 5-3 (Donna, Joan Green, Lorne Wood, Theo Luykenaar). The B2 team (Bob Sage, Wally Skrobot, Barb Chan and Joan Gates) were defeated by Hillcrest 2, 7-1, and by Garneau 5-3 (Bob, Barb, Wayne Boyd, Anne Kirk, Iona Kennedy). Members are reminded that all club members are eligible to play on the teams - contact the team captains.

The second novelty doubles of the season will be held Wednesday, June 12 at 7 p.m. All club members are encouraged to take part in the tournament and the following social hour.

Winner of the St. Albert Tennis Club's seventh annual invitational tournament, Max Jean-Louis of the Garneau Club, shows some of the style which clinched the victory for him. Max defeated Keith Kachuk of the Hillcrest-Glenora Club by 6-4, 6-2 in the final.

Track athletes win berths in Provincials

On May 25, 12 St. Albert High students (Jim Kehoe, Ken Vantighern, Al Robinson, Bernice McGillis, Bob Lewis, Darcie Brennels, Isabelle Ethier, Sarah Vantighern, Susan Bell, Sean Kehoe, John Kennedy and Sandy Clish) took part in the North Central Alberta track and field competition at Sherwood Park. Eight athletes emerged from this meet to participate on June 1, against

Sherwood Park and this time they were competing against all of Northern Alberta.

John Kennedy came second in junior boys 1500m, Sean Kehoe first in junior boys 100m and 200m, Susan Bell first in senior girls 400m and Sarah Vantighern first in junior girls 100 m, 200m shotput, and second in high jump. These students will compete in the provincial championships in Calgary on June 8.

Saints win first of year — split pair

St. Albert Willowbrook Saints won their first game of the year last Thursday with a 10-4 win over City Police in a regularly scheduled game in Sunburst Baseball League action. The game was played in St. Albert at Mission diamond, Monday night at Renfrew Park in Edmonton the Saints lost a close 3-1 decision to the Edmonton Cardinals. Saints were to have played the Junior Tigers in St. Albert Tuesday night but were rained out.

Thursday's win over the City Police was not decided

until the seventh inning when Saints scored five runs to take a 10-3 lead. Saints scored in the first inning on a walk to third baseman Art Rechlo who then stole second and came home on Greg Taylor's single. City Police went ahead 2-1 after three innings. Saints scored three in the fourth for a 4-2 lead on three base hits. St. Albert scored a lone run in the sixth before their big five run inning in the seventh.

Rechlo led off the inning with a base on balls but was out at second on a fielders

choice by Larry Wolbeck. Greg Taylor's single moved Wolbeck to third. Nestor Sorobey received first on a error and all three came home on a triple by Colin Walker. Ed Shaskey then walked and both he and Walker scored on winning pitcher Keith Burrell's triple. Burrell led the Saints at the plate with his triple and two singles.

LARRY WOLBECK

Monday night's game at Renfrew saw Saints pitcher Dennis Fitzgerald allow only six Cardinal singles only to lose 3-1. Cardinals centre fielder Dave Krysko (Chicago Black Hawks) led off the first inning on a walk and scored on a Saint's infield error. Cards added their second run in the third on a error and a single by Vic Frey. Frey led off the fifth with a single and came home on another Saint's infield miscue. Saints lone run was scored in the seventh when Fitzgerald led off with a triple and came home on a single by Art Rechlo.

St. Albert managed to get runners on base in the eighth inning but couldn't get them home. Fitzgerald also had six strike-outs and with a little luck should have won the game 1-0 as all Cards runs were unearned.

Saints next home game will be held Wednesday, June 12 when Blue Willow Juniors will be here.

Saints are playing this weekend in a 8-team tournament in Fort Saskatchewan when the Edmonton Cardinals will be their opponents in the opening game Saturday morning.

Bombers & Warriors lead softball play

The Blue Bombers hold down top spot in the Squirts Division (8 to 12 year olds) with a perfect 6-0 record. Blue Jays are right on their heels with a 6-1 record for second place followed by the Mitey Mouses with a 5-2 record.

The Chatterers hold down fourth place, one four wins and two losses.

Blue Bombers scored a close 18-16 win over the Chatterers May 30 to remain undefeated. The Blue Jays gave the Power Pacs a 34-15 thumping to hold down second place.

In bantam league play WesCon Warriors are still undefeated in five games and hold down top spot with the Dairy Queen Braziers right behind at four wins and only one loss. The teams also have a rain-out game to catch up and a win for the Dairy Queen could give them a tie, while a Warrior win would put them up four points

The Fire Department won their first game of the year last week with a 29-25 win over Sperry Univac Stars. The Fire Department and Stars are tied for last place with a 1-5 record.

Francis Poulin of the Stars, while sitting on the bench in a game with the Braziers, unfortunately was hit by a foul ball and had her nose broken. The whole league wishes her a speedy recovery.

Both leagues are asked to send in their game scores as soon as possible to Mr. Vettergreen at 459-8914.

St. Albert REC NEWS

SWIMMING:

The schedule now in operation at the pool published in last week's Gazette and will be in force till June 30 after which more family and public swimming sessions will be added.

Family, adult, student and child season tickets are still available and applications can be picked up at the Town Hall. The cost for residents are: family \$36., adult \$14.50 student \$12 and child \$8.50.

The June lessons are now in progress and after last week's announcement about openings, a few still remain in the second session (June 17 - 28) for juniors, intermediates and seniors. The cost is \$3.50 and registrations will be taken at the Department of Recreation in the Town Hall (not at the pool). The registrations for lessons is at present scheduled for June 18 and 19.

Locker keys are missing. Parents are asked to cooperate by returning keys which their children may possibly have forgotten to leave at the desk to the pool or to the Recreation Department. A limited number of coin lockers have been installed but residents are reminded that the town is not responsible for articles left or lost at the pool. It is always possible to leave articles of value at the desk with a member of the staff; it is much wiser, of course,

to leave them at home.

RODEO SWIM MEET:

On Sunday, June 9, the annual Rodeo Swim Meet will be held, starting at 1 p.m. This, as usual, will be a fun meet with our own St. Albert Sailfish competing with relay teams from three or four other towns. Representative teams from service clubs in town and the Commonwealth Games Committee will also be taking part and a mystery team made up of swimmers who prefer (quite rightly) to remain anonymous (quite wisely) has threatened to participate. Who are they? Only they know for sure - and even they aren't too sure. However, all will be made perfectly clear on June 9. So put the date on the calendar and get Rodeo Week off to a flying (swimming) start.

TENNIS:

The weather is not cooperating and at the time of writing it would appear that the lessons which were scheduled to be all over by the end of May will have to continue into next week. The only classes which were completed on schedule were those for students held on Tuesday evenings and Saturday mornings at Mission Park. This means that the courts are now free for public playing at those times.

ARTS & CRAFTS GUILD:

The annual general meeting of the Guild is scheduled

to take place on June 5 at 8 p.m. in the Clubhouse, 5 Grenfell Avenue (beside the swimming pool). Newcomers especially who may not be aware of the Guild's activities are invited to attend. Coffee will be served and anyone interested in any of the arts will be made very welcome.

JOINT USE:

Application forms for the use of accommodation under the terms of the Joint Use Agreement are available at the office of the Recreation Department in the Town Hall. Officials of organizations wishing to apply for accommodation next year should pick one up, complete it and return it as soon as possible.

PEDAL PUSHERS:

Parents - please see an important item elsewhere in this issue if your child is being registered in the pedal pusher program this year.

Sunday is Opening Day - Kinsmen Rodeo Week

Official Opening

Mayor Ray Gibbon has been invited to officially open Rodeo Week in St. Albert Sunday afternoon at Lions Park and the ceremony is set for 3 p.m.

Canoe race

A Canoe Race on the Sturgeon is sure to be a crowd pleaser on Sunday, June 9, opening day of Rodeo Week in St. Albert.

St. Albert's Gary Cooper will have his jet boat on the water and the Fish and Game Association will be entering a War Canoe, along with all the local canoeists who would like to get into a race.

Tiger Television

Anyone with a secret yen to get on a television show should follow Tiger Goldstick around on Sunday, Tiger will be filming the opening action of Rodeo week in St. Albert for CFRN-TV. Rumour has it that Glen and Harlene Ward are practicing up their version of the old time waltz for a performance on the Perron street bridge that day. Lion Glen is always ready to help (?) the Kinsmen.

Crafts Sale

In conjunction with Rodeo Week the St. Albert Arts and Crafts Guild is holding a

sale of pottery, boutique, weaving and copper enamelling on Saturday, June 15 on Grandin Mall. The Guild is also setting up a library display on arts and crafts in the mall area across from Orange Julius. Guild sales have proven extremely popular with St. Albert residents and visitors alike, so you will want to drop by anytime between 9 a.m. and 3 p.m.

Horseshoe action

Down at Lions Park on Sunday afternoon all the local and district horseshoe pitching buffs can get in on the action when the Edmonton Horseshoe Club stages an

open competition in this favorite grass roots game. Spectators, too, are in for a good time about mid-afternoon, when the city club shows what they can do versus the local experts. If the boys from Riviere Qui Barre get in, they could be the 'dark horses' of the event.

Softball finals

Final league games in the Hercules Girls Softball League are scheduled for Tuesday and Thursday of this week - Rodeo Week in St. Albert. Softball fans can catch the girls in semi final action tomorrow night. They use the St. Albert High, SAM school, Grosvenor Park and Mission Park diamonds.

The Hon. 'Cowboy' Copthorne, one time winner of the calf roping event in the Cochrane Stampede will act as parade marshal for Kinsmen Rodeo Rainmakers on Saturday, June 15. The Minister of Highways and Transport favours horse transport for this occasion.

Kinsmen Rodeo Rainmaker Calender

SUNDAY, JUNE 9

Lions Park - Official Proclamation of Rodeo Week. Crowning of the Rodeo Queen. Entertainment: 2:00 p.m. to 3:00 p.m. Canoe Races on Sturgeon River.

Mark Sutherland of 33 Sorrel Crescent putting the finishing touches on his 'Mark 1' Soap Box Racer. He won three of the five events he entered and is going to try again next year to capture the Active 20-30 Club Soap Box Derby crown.

Take Safety Along this Summer

For a few weeks every summer, you will have a chance to relax and enjoy your holidays. Whether you are camping, boating, fishing, swimming or even staying at home, remember "the safety rules" and avoid what could be a tragic ending to your summer vacation.

Before you leave on a long trip, make sure the car has been serviced. Try to cover only a reasonable distance each day and avoid driving at night or when tired. Unfamiliar roads are navigated most safely by an alert driver.

When you arrive at your vacation-spot, keep in mind one of the basic safety guidelines -- don't overdo it! This applies to swimming, boating, water skiing -- anything that your body has not been conditioned to. Even a sunburn can spoil your vacation period so take the sun in gradual doses.

Instruct your children in water safety so they can respect the water as well as enjoy it. Use the buddy system when swimming and have non-swimmers wear a life-preserver. Know how to give artificial respiration.

"Safety Afloat" is a Canadian Department of Transportation booklet that all boaters should be familiar with. Ensure that all occupants wear a life jacket and never exceed the weight-limit of your boat.

When mowing the lawn this summer, wear shoes that protect your feet and clear debris from the grass before you cut it to prevent dangerous flying objects.

Summer is a time for rest and enjoyment -- keep it safe.

A safety display will be

on the Grandin Mall Friday night and Saturday focusing on summer safety sponsored by the St. Albert Safety Council.

Hard Work, Anticipation, Part of Soap Box Derby

Despite the fact that Mark Sutherland of 33 Sorrel Crescent did not win the annual Soap Box Derby staged by the Active 20-30 Club last Sunday, more than half the fun of the event was designing, building, and modifying the car he used.

The entrants, aged 11 - 15 had to completely construct a racer from scratch and conform to certain established specifications. The combined weight of the car and the driver must be 260 pounds and the total cost of the car cannot exceed \$75. The wedge-type car which Mark constructed reached a total cost of approximately \$50 worth of materials. It took about two months worth of work to complete.

The plans provided to entrants were updated by Mark and the 'wedge-type' design he arrived at could be a first appearance for this style of racer at the derby. The car measures 83 inches long, 11 inches wide, and 14 3/4

inches high. In order to eliminate any unfair advantage, 12 inch wheels and axles are provided to each entrant for the race. Mark used aircraft cable for steering and brake assembly which does not stretch and the chassis was constructed from 3/4 inch plywood. The chassis is bolted and screwed together.

A very tricky part of the construction was the application of fiberglass which made up the body. Discovering that the fiberglass which he purchased would not be adequate to complete the job, Mark improvised by liberating some old bed sheets to supplement the material he already had. The finished product was impressive just the same and has generated interest in Soap Box racing from other neighborhood youngsters. We may see many more St. Albert entrants in the race next year.

Mr. Bill Sutherland, Mark's father, is convinced that the project is

worth a tremendous amount to the young people who undertake it. He feels that it gives them an opportunity to do something which they would otherwise never consider. Because it is mostly the efforts of the young person, and the successes and failures involved in designing and building a racer, the value and experience is difficult to measure.

The winner of this year's Soap Box Derby was Al Semeniuk who won last year also. He received \$200 for the feat and will be travelling to Calgary and the winner in Calgary travels to the National finals in Ohio. Top prize in Ohio is a scholarship.

Mark won three out of five events at the meet on Sunday though he failed to win the overall title at the meet. He has resolved to try again next year and he feels that a few modifications to his current design should help him fare better.

Alain - Wells Wedding

Patricia Wells, daughter of Mr. John Wells and the late Mrs. Wells of Vancouver, and Bernard Alain, son of Mr. and Mrs. Leo Alain, were joined in holy matrimony at St. Joachim's Roman Catholic Church on May 8. Father Thomas Kroetch of the Cathedral parish conducted the wedding service and Mrs. Bernice Willis of St. Albert was organist.

Given in marriage by her father, the bride was beautiful in her full length gown of white polyester crepe. She was attended by her sister, Anne-Marie Wells of Vancouver as bridesmaid, wearing a gown of pink and white with a complimentary picture hat. The groom's mother, Mrs. Germaine Alain looked elegant in her long pink gown.

The groom was attended by his cousin, Paul Duval of

Red Deer, as best man. Following the ceremony a reception and supper was held for 90 guests at St. Edmund's Hall in Edmonton and later a crowd of about 150 enjoyed the wedding dance.

Mr. Don Brown of Sherwood Park proposed a toast to the bride at the banquet, to which Bernice replied most appropriately. The groom's brother, Mr. Al Alain, acted as master of ceremonies.

Special guests were the bride's grandmother, Mrs. Mary Wells of Hardisty, Alberta, and the grandfather of the groom, Mr. Alphonse Fontaine of St. Paul, Alberta, and his aunt, Lillian Hammerick from Hayward, California.

Following a wedding trip to the United States and Van-

couver Island, the couple the C.N.R. and Pat is with settled in Edmonton, where the RCMP crime detection Bernie is a machinist with laboratory.

RCMP souvenir record released

A special souvenir record is being released this week to commemorate the 1974 Alberta-RCMP Century Celebrations.

The music was commissioned in honour of the 100th anniversary of the arrival of the North West Mounted Police in Alberta. The record, from the album "Scarlet and Gold," produced by Edmonton song-writer Doug Hutton, features two songs. "The Brave Men" deals with the march west of 300 young North West Mounted Police. "Wild Rose Country," named for Alberta's provincial emblem, reflects both the spirit of the province and

the song.

The record jacket features three coloured paintings commissioned by the Horseman's Hall of Fame and a photo of a modern RCMP constable in the familiar scarlet tunic.

The record will be available throughout Alberta and used to raise funds for community projects by local clubs and organizations as well as being sold through selected retail outlets.

The record will retail for \$2. It is being distributed by Three-Way Productions and in St. Albert by Mrs. Dick Leggett - 459-8802.

PEND YOUR MOHAWK CASH VOUCHERS AT THE ST. ALBERT INNI

Father Chevrier sends regards

Friends of Father G. Chevrier, OMI, former pastor of the R.C. Church in St. Albert, will be interested to know that he is still interested in adult choral singing. Mrs. R. Lefebvre attended "une rencontre chorale" between choirs of St. Paul, Alberta and Maillardville, B.C., while on a trip to Vancouver and Victoria with son Lawrence, who just re-

turned from a year in Jamaica, West Indies.

The St. Paul bilingual choir "Les Musicos" were being hosted by "Les Echos du Pacifique" - May 25. After this very enjoyable musical evening, a reception was held at Our Lady of Fatima Parish School. The perfect host, Father Chevrier sent his best wishes to everyone in St. Albert.

While in B.C., Mrs. Lefebvre was re-united with six members of her family also many nephews and nieces.

Lawrence and his wife Sandy will take up residence in Burnaby, B.C., where they were enticed away from Jamaica Telephones to work for B.C. Telephones. Lawrence will be working as planning engineer.

Betty Lovett, vice-president of the Help Society serves cake to volunteers who assist the Society and Meals-on-Wheels programs at a coffee party held Monday in the United Church lower hall.

Newcomers pursue many interests

Twenty-one new members were welcomed into the Welcome Wagon. Newcomer's Club last month and three members were congratulated on the births of babies: Elsie Brewin, a daughter and Bobbie Charter and Vanessa

Ruscoe, who had sons.

Activities in the news bulletin indicate a wide range of interests being pursued by the club. Next week on June 11th the Book Discussion will be on In High Places, by Arthur Halley, and the summer reading selection for the group is I'm O.K., You're O.K., by Dr. Thomas A. Harris. Bowling banquet was held May 2, and the last bridge evening before the summer is being held Wednesday, June 12.

The Couples Club took in a show and met afterwards at the Bruinsma home, and the Penny Poker group meets every other Thursday evening. Stitch-N-Chat meets every second and fourth Thursday afternoons, but will meet only informally after school is out.

The May Couples Gourmet dinner was hosted by the Pulas and featured chicken filled crepes. A June Frolic will take place June 21 for members and friends on an advance tickets basis.

The final meeting before September was held last night. Under the club's constitution, redrawn this year, newcomers must join within a year of moving to St. Albert, and membership can be retained for three years. The present membership is upwards of 160.

United Church to serve St. Mathew's

The congregation of St. Mathew's Anglican Church have been welcomed and considered participants in the use of the St. Albert United Church premises for sometime in an unofficial manner. On Sunday, June 9, during

a joint worship service to be held at 10 a.m. a new sign will be commemorated to publicly acknowledge the use of the premises by both congregations.

The commemoration indicates the untiring efforts of dedicated and highly interested members of both congregations to publicly acknowledge the joint use of the United Church facilities.

There will be a picnic for all interested parties at Lions Park on Sunday at noon. The usual activities will be going on with fun and games for all. You are invited to pack a lunch and join in at the fun.

Work of volunteers recognized

The Board of the St. Albert Help Society was pleased to be able to sponsor a coffee party for the volunteer workers of both the Mother's Day Out program and Meals-on-Wheels on June 3 in the United Church basement.

Guest speaker was Rev. Len Musto who emphasized the vital need for volunteers in St. Albert and encouraged the growth of more programs, with volunteer aid.

Linda Kuzs, president of the Help Society, thanked the volunteers for their dedicated service and reinforced the fact that it is only this dedication which make these projects possible. She then introduced the mem-

bers of the Board as follows; Betty Lovett (vice-president); Myrna Derieu, secretary; Hilda White, treasurer; Jane Quessy, Marg Dolphin, Pat Gibbons and Hettie Blades, Meals-on-Wheels co-ordinator. Pauline Fleck was introduced as the Sturgeon Hospital representative to the Meals-on-Wheels committee. Others not present were Mrs. Law, Mr. Keyes and Dr. Nobert.

Linda Kuzs gave special thanks to Don Mills, librarian, for his tremendous co-operation in providing the Mother's Day Out program with puppet shows. Acknowledgement was made to Bud Reineger and Bronwyn Hack-

ett for excellence in their supervisory duties.

The Board would again express thanks to the United Church for the donation of the facilities for the Mother's Day Out program and looks forward to recommending in September. They had special commendation also for the tireless efforts of board member Jane Quessy.

There is a saying that a community is only as strong as its best volunteer - from the people who have given their time and efforts to these programs the Board of the St. Albert Help Society sees a great deal of strength, said vice-president Betty Lovett.

M.D. Council moves on industrial proposal

A proposal for the construction of a factory which would produce prefabricated housing units in the MD of Sturgeon drew considerable interest at the meeting of the Municipal Council on May 30. The proposal involves the rezoning of the property located N 1/2 15-56-25-4, as

industrial land.

The developers, Telestar Developments, assured council that the factory could be in full operation by the first of next year if construction commenced within a month. In addition, the developers stated that the

factory would draw 85 per cent of its work force from area employables. The upper level personnel, because of the expertise and experience required, would necessarily be drawn from elsewhere.

The spokesmen for Telestar made note that the property would be landscaped to further highlight the aesthetics of the factory site. They also made mention that the factory would have an annual payroll of approximately 1.5 million dollars and efforts would be made to induce employees not living in the immediate area to take up residence in the region.

Council moved to advertise its intention to rezone the site for industrial use and everyone voted in favour of the move.

NDP candidate says government should be in the oil business

Tom Hennessy, Pembina NDP candidate, was enthusiastic about David Lewis's visit to Edmonton at a recent meeting with supporters in Gibbons, Alberta.

Hennessy said he was a strong advocate of the federal NDP policy that the government get into the oil business in order, he said, that government could evaluate the average cost benefits of the oil corporations. He argued that there should be no doubt whatsoever that the oil companies are in solid financial shape, and outrageously overdo their whimpering and complaints about taxation and high exploration costs.

One well in four becomes productive, he said, which he felt ensures consistent return to the private profits of the oil corporations. He felt average farm families recognized the powerful role of the oil industry in the province, but that this boun-

TOM HENNESSY
N.D.P. PEMBINA

tiful status did not entitle corporations to special rights over the farmer whose land is disrupted and polluted by what often end up to be dry holes.

Mr. Hennessy said there is a clear and believable role for government in the oil industry and that he hoped to carry the NDP position on this issue throughout Pembina in the campaign.

Dan Hollands makes tough decision

Having announced his decision to let his name stand as a Conservative candidate in the federal election July 8th, Dan Hollands, M.P. for Pembina riding, has been hard at work knocking on doors and talking to people in the Sherwood Park, Cooking Lake, Ottewell, Redwater and Thorhild areas. "I plan to head into the country next," he said Tuesday.

At a press conference May 20th in the Executive Motor Inn, Mr. Hollands said that when he had to make this very important decision he was well aware that it may prove to be controversial. He did not win the P.C. nomination.

"My first consideration was the overall number of

people who have called in person and telephoned and written, urging me to run and offering me their support," he said.

Secondly, an examination of the voting statistics from the 1972 election showed, he said, a clear mandate from 26,000 voters, which was a 10,000 majority, only 18 months ago. "I feel that the taxpayers of the constituency have an investment in me," said Mr. Hollands.

Enlarging on his reasons for letting his name stand, Mr. Hollands told the reporters "a few inexperienced people feel that they can go to Ottawa and change the destiny of Canada overnight. In a great many instances this is all 'sound

and nury and signifies nothing!"

The MP saw his duties as three-fold: "It was my experience for the short 18 months I was in parliament that those members who came in 1968 were able to contribute to the various debates and committees - where, incidentally, the real nuts and bolts work of parliament is performed, much more effectively than any of the new 1972 members. As time goes by a new member who acts in a conscientious and responsible manner, and does his homework, gains the respect of his colleagues, and I feel that I have gained that respect."

Secondly, a good MP must solve many different problems of individuals through out the constituency. Each problem may be unique and requires knowledge of the proper channels to work through, said Mr. Hollands, adding that he sincerely believed he had worked effectively in this respect.

Thirdly he said he had made a commitment to the people of Pembina to maintain communication with them. "This I have done, by mail, by press reports and by travelling every weekend to every corner of this large constituency."

"I feel very strongly," said Mr. Hollands, "that if I were to slip quietly into political oblivion, which would be the easy thing to do, a very dangerous precedent would be set. If we believe in the true democratic process, I would prefer to let the voters decide if they want me to continue as their MP," he concluded.

Around Sturgeon

A 4H Beef Club sale is being held Wednesday, June 12 at Westlock, when clubs from Echo Hill, Fawcett, Golden Sunset, Springwell, Vimy, Dapp, Sunnibend, Double Diamond and Flatbush will be represented.

The crowd at the Gazebo Saturday night were really jumping, everybody but the guest of honour, that is. The Calahoo people put on

a benefit dance for Larry Mitchell and family, who broke his leg playing for their team in the Sturgeon Fastball League tournament over the May long weekend. With everybody, including the bands donating their services, and a large turnout, Larry was presented with a tidy sum. Expressing his appreciation Larry was obviously much moved by the evidence of affection and regard of the district. He men-

tioned players such as Firmin Iseke, who had introduced him into the league, Chester Cunningham and Arnie Bailey, Calahoo friends like Emile and Moe Berube, Pee Wee and Blackie Quintal and all the district people who had arranged and supported the event, plus St. Albert associates like Doug Millroy and Gazette colleagues. It was a very happy evening, and despite his heavy cast, Larry was able to enjoy it all.

** ** *

Jim K. Baker, a resident of Bon Accord, is a candidate from graduation from Grant MacEwan Community College having completed the program in Communication Arts, Audio Visual Technician.

Cooking Lake studies

Four contracts, involving 10 consulting firms and special consultants, have been awarded as part of the study into environmental management of the Cooking Lake Moraine.

The contracts, worth a total of \$206,000, are with Stanley Associates Engineering Ltd., G. R. Shelley and Associates Ltd., Epec Consulting Ltd., and Consultant J. O. Park, all of Edmonton. The other consultants involved have been

engaged by the principal consultants.

The overall objective of the study, as previously stated by Mr. Yurko, is "to develop a proposal for the conservation and exchange of the resources of this area for the enjoyment and benefit of the general public."

One essential ingredient to develop the area is the availability of water," and work is being done to determine how best to deal with declining lake levels in the area, and to determine the best means for importing water directly to Cooking Lake.

G. R. Shelley and Associates Ltd., who will study present recreational use, potential recreational demand, and identify areas suitable for future recreational development, is the firm who did the Town of St. Albert recreation report.

Many Thanks

ON BEHALF OF MYSELF AND FAMILY I WOULD LIKE TO THANK THE CALAHOO SPORTS ASSOCIATION FOR HOLDING A VERY HEARTWARMING PARTY FOR US FOLLOWING MY INJURY ON THE LONG WEEKEND IN CALAHOO. I WOULD ALSO LIKE TO THANK MY MANY FRIENDS WHO ATTENDED AND MADE THE EVENING ONE OF THE MOST MEMORABLE IN MY LIFE.

LARRY MITCHELL AND FAMILY.

U.K. Delegation visits M.D. farming operation

Part of the program of activities scheduled for the delegation of Parliamentarians visiting Canada from the United Kingdom included a 48 hour visit to Alberta. The delegation arrived in Edmonton on Thursday, May 30.

An interesting segment of their visit to Alberta was a tour of the Sweetnam farm in the Namao district where the delegates had the opportunity to observe a Canadian farming operation. "You can't visit another man's farm without learning something," stated the Rt. Hon. Mr. J. A. Stodart, one of the Joint Chairmen of the group.

Two of the delegates have held Agricultural Portfolios in the legislature in Britain and were appreciative of the only 'bit of agriculture' they had been exposed to since their arrival in Canada 10 days ago. Mr. Wally Klatt, district agriculturist for the MD of Sturgeon, accompan-

ied the delegates to the farm.

The delegates commented that farming in Canada is very different from the intensive and compact programs in the United Kingdom. Space in Britain is a limited commodity and farming is conducted on smaller parcels of land. Though beef is a major part of the produce in Britain, the delegates were astonished by the quantity of beef Canadians consume. "We're being educated."

Mr. Stodart commented that the 'hard wheat' grown by Canadian farmers is unsuited for the climate of Britain and therefore Britain relies heavily on Canada as a source of this type of grain. Soft grain is a more common variety of wheat grown in that country. The 13th Earl of Ferrers, one of the individuals in the delegation, stated that he 'had never imagined the farming to be like this.'

The delegates also had the opportunity to see the Alberta Legislature during their two day visit to this province and they found the

standard of debate in our Legislature to be very high, comparable to the standard in Britain. One of the delegates stated that he had found that Alberta's Legislative discussion to be superior to that of the province of B.C.

The delegates were also given a tour of the Tar Sands area near Fort McMurray. Mr. W. Baxter noted the absence of the effects of the Energy Crisis in Alberta. "It boggles the mind to realize the quantity of reserves in the McMurray area which we have been told equals the other known reserves in the Western or Free world. With the size and number of cars in the Edmonton area one can wonder if there has ever been an energy shortage at all, at least in this part of the country."

The delegation was led by the Rt. Hon. J. A. Stodart and Mr. W. Baxter. Other delegates were the 13th Earl of Ferrers, Mr. Andrew Bowden, and Mr. W. E. Garrett. The transport officer for the tour was Mr. Harry Davin.

Sturgeon 4H Council plans exchange trip

By Sharon Kish

On May 10, 11 and 12, 1974 some members from the Sturgeon area attended a Camp Counsellor Workshop at Vermillion, Alberta. These included: Marsha Rigney, Sharon Kish, Wendy Bowman, Alan Briggs, Lanny Robertson and Barry Sturrock. Staff counsellors included Deena Mitchell and Barb Smith from the Department of Culture, Youth and Recreation. Members from the Northwest and Northeast regions learned such things as outdoor survival, leadership qualities and arts and crafts. Along with this they had campfires singalongs and group discussions. Even though it rained, it was a very memorable experience for all the members and staff.

The monthly meeting of the Sturgeon 4H Council was held

May 16, in the Municipal Building in Morinville. Barb Smith from the Department of Culture, Youth and Recreation attended and described about a summer exchange trip to Lethbridge, Alberta, to take place July 22 - 26, 1974. 4H members must be 15 years of age or older by June 1st in order to qualify for this trip.

There was a short discussion on 'Promotion of 4H' in our area. Suggestions included 4H pins or bumper stickers. Judy Abramski volunteered to look into the cost and availability of such items.

Last year's top record books from all the Beef Clubs will be displayed at the Sportex during the Beef Show sale and achievement day to be held July 4, 1974. These books should be submitted to Barb Smith by the second week in June.

Pyesmany - Hume Wedding

By Lucienne Montpetit

Father Baker conducted the wedding ceremony uniting Wendy Joan Hume and James Louis Pyesmany at St. Maria Goretti Catholic Church in Devon on April 20th. James is the son of Mr. and Mrs. J. E. Pyesmany from Legal, and Wendy is the daughter of Mr. and Mrs. R. T. Hume of Devon. The wedding music was played by Mrs. Edith Henderson and soloist was Mrs. Mary White accompanied by Cathy Henderson.

The bride, given in marriage by her father, was lovely in her white nylon double gown featuring a pleated bodice and sleeves. Her pleated

lower skirt was trimmed with dainty daisies.

Her bridal headpiece of nylon bows with daisy and pearl trim held a long scalloped veil.

She carried a bouquet of tangerine roses, white daisies and babies breath.

Matron of honor Debi Nonay, sister of the bride, wore a mauve floral print gown, bridesmaids Linda Grant and Marilyn Snelder friends of the bride were charming in their yellow floral print gowns, all were complimented with short white gloves, they carried yellow daisies with stephanotis and babies breath. The groom was attended

by Eddy Pyesmany, brother of the groom and attendants were Clarence Zillinski and Vince Marchak.

Ushering the guests were Robert Hume, brother of the bride and Fred Pyesmany brother of the groom.

Following the wedding the first reception was held at the community hall in Devon. The second reception was held on April 27 at the Waskenau Community Hall.

The master of ceremonies was Mr. Steve Zillinski.

For her daughter's wedding Mrs. Hume chose a blue polyester lace gown, Mrs. Pyesmany chose a blue lace dentelle gown.

James and Wendy will reside in the Pincher Creek area in Southern Alberta.

No cattle - no need for packers

The impending strike and lockout currently under negotiation is of grave concern to the Cattle Feeder's of Alberta and will result in serious implication for the whole beef industry if not resolved immediately.

Dick Gray, president of the Alberta Cattle Feeder's Association, said this week in Lethbridge that the strike of the Canadian Food and Allied Workers now already in effect in Alberta will be the final blow to the cattle feeders.

A price drop is already in effect, and a strike or lockout by the parties concerned will seriously aggravate an already depressed beef market.

One crisis after another since September 5 of last year has already put a lot of cattle feeders out of business, and should current negotiations fail to reach an agreement all of the small feeders will be forced out of the cattle business. In

fact, larger feedlots will be forced to give serious thought to the phasing out of cattle feeding. This could result in serious consequences in the future of one of Canada's major industries. No cattle - no need for packers or workers.

As a further aggravation, President Gray said the hotel and restaurant trade are pressing the Minister of Agriculture to open up the U.S. border for beef in order to stay in business. With U.S. prices .10¢ a pound below that of Canada - where will this leave the cattle feeder? The immediate concern, says Gray, is for the cattle feeders.

In a visit to the Saskatoon Market Ring on Monday, Mr. Whelan on being questioned on the serious situation was quoted as saying "I hope you are no more confused than you were before I arrived." Mr. Gray suggested that it appeared as if the strike and impending lockout was taking second place to the election campaign.

Negotiating parties must reach an immediate agreement to save the livelihood of the cattle feeders and cow-calf operators or there will be no cattle, stated Mr. Gray.

PETER ELZINGA

P.C.'s open campaign offices

A spokesman for Peter Elzinga, the candidate for the Progressive Conservative Party in the federal constituency of Pembina, has announced the opening of their campaign office. A trailer has been moved onto the northwest corner of the Sherwood Drive and Park Boulevard for this purpose. Jan Yuzda is going to take care of the office duties and she may be reached at the office at 467-4181. The mailing address is P.O. Box 3047, Sherwood Park, Alta.

Horse Hill Report

A special joint service marking Rural Life Sunday will be held at Namao United Church on Sunday, June 9th at 11 a.m. There will be no service that day at Patricia United Church and residents of both districts will be welcomed at the service.

A fine turnout of about 200 took in the Junior Girls ball tournament at Horse Hill school grounds on Sunday, when the Riviere Qui Barre team defeated Brookville in the A Division final, to win top money.

Horse Hill met Josephburg in the B Division final, and Horse Hill took the win.

Mr. John Tetz who organized the tournament was well pleased and the members of the Horse Hill team, along with Mr. Tetz expressed their appreciation of the co-operation received from umpires, the women of the Community League who operated the concession booth and the enthusiastic fans.

Thank You PEMBINA P.C.'s

Peter Elzinga and his committee thank all the Progressive Conservative Supporters for their support at the Convention in Westlock on May 21, 1974. You have made it possible for Peter Elzinga to be our P.C. candidate in Pembina. We ask for your continued support in the upcoming election. Please phone and offer your help to our Progressive Conservative Candidate.

You are asked to phone the number in your area - Sturgeon - B. Devereux - 543-2729 or call campaign headquarters at 467-4181. Mailing address Box 3047, Sherwood Park, Alberta.

Once again, thank you.

Elzinga - Pembina Progressive
Conservative Campaign.

LEASING OF PARK RESERVES

A resolution was passed at the Council meeting held May 16, 1974, to apply to the Provincial Planning Board for authorization to lease for one year the following park reserves:

- a) Lot R-1, Plan 1243 in the N.E. 31-56-22-4 (8 acres)
- b) Lot R-2, Plan 3471 T.R. in Pt. N.E. 12-57-23-4 (8.39 acres)
- c) Lot R-1, Plan 1210 R.S. in S.W. 27-54-23-4 (2.98 acres)

A person claiming to be affected by the proposed leasing of the reserves shall serve written notice of his objections to be undersigned prior to June 14, 1974, on which date a hearing will be held at 2:00 p.m. by Council if written notice of objection is received.

Alphonse Nobert,
Secretary-Treasurer.

Sturgeon team enters speaking tourney

By Joanne Anderson

A Provincial Public Speaking Tournament was held on March 25, in the Archbishop O'Leary High School in Edmonton. This was the first tournament of its kind in which teams from schools from all over the province participated.

A team of seven students from Sturgeon Heights School was entered in the

tournament. The team members were: Janie Boslak of grade 9, Ken Mitchell and Darrell Vion of grade 8, and Sonja Kroker, Lorraine Rouault, Margaret Collins and Barry Hyslop, all of grade 7.

Mr. Jeet Khullar was the coach of the team.

There were many categories in this contest. The Sturgeon Heights team com-

peted in two categories - Original Oratory and Expository Speech.

Barry Hyslop was placed first in the category of Expository Speech (beginners) on the basis of judging by 20 other fellow contestants. Thus he qualified for the finals where he won the bronze medal.

Darrell Vion achieved the second place in his category - Original Oratory (beginners) but did not qualify for the finals.

All other contestants achieved the 'distinction' award.

Pool unhappy with Munro

J. W. Madill, general manager of Alberta Wheat Pool, has expressed dismay with statements attributed to Labour Minister Munro concerning the Vancouver grain terminal labour dispute, saying the Minister lacks understanding of long range effects on the grain economy of western Canada. Mr. Madill also dealt with the Labour Union's recognition that workers have been on a slow down in the terminals.

It is surprising and shocking to have the Minister supporting an increase amounting to 61 per cent over two years, a rate of increase which is certainly inflationary. The cost of the increase must be returned directly to grain producers in western Canada. The grain workers' contract, which expired on November 30, 1973 provides a base rate of \$4.96 per hour. The conciliation officer's report proposed an

increase of \$1.52 per hour in the base rate plus substantial fringe benefits which bring the actual cost to the employer to the 61 per cent total increase mentioned above. He recommended a cost of living escalation clause as a further additional benefit. The management team in Alberta Wheat Pool does not believe such a violent increase can be justified.

The Alberta Wheat Pool and Pacific terminals continue to experience poor performance by many of the union workers and welcomes union spokesman Kane's statement to the effect that he would ask the employees "to

work normally." While over 1,700 grain cars are presently available in Vancouver for unloading, the performance by the unloading crew has been disappointing. On May 23 only 42 cars were unloaded at Alberta Wheat Pool Terminal and 50 at Pacific Terminal. No grain shipments to Vancouver were scheduled by the Canadian Wheat Board from May 14 - 28, and the unit train from the Lethbridge inland terminal has not operated during that time. A normal unloading schedule in the terminals would have greatly reduced the present stock of 1,700 cars.

Alfalfa opportunity in Legal area

Final plans are being drawn up for the construction of an alfalfa processing plant in Legal.

Mr. Victor Douziech, chairman of Legal Alfalfa Products said that with seeding operations in full swing, it would be a good time for farmers within a 20 mile radius of Legal to consider seeding as much alfalfa as possible.

"Department of Agriculture studies show the advantages of alfalfa rotation, and with the new alfalfa plant, the farmer will have the added benefit that his alfalfa harvesting will be handled totally by plant equipment and personnel," said Mr. Douziech, long time Legal area farmer and businessman.

"When in full operation our plant will be able to handle some 10,000 acres of alfalfa. The market outlook is very favourable, and alfalfa growers who seed now will reap the benefits. However, due to limited seed supply we strongly urge farmers to contact seed suppliers immediately."

Mr. Douziech said that more detailed information on the plant size and exact location would be announced shortly. But present indications are that the plant will cost approximately \$1,000,000 and will provide some 30 new jobs.

School beginners in Legal

Children beginning school in Grade one in September will be given an orientation program of four days in the Grade one classrooms. The program, for children who will be six years of age on or before February 28, will be held June 24, 25, 26 and 27.

Letters have been sent to most parents who have beginners for September. Anyone who has a child who qualifies who has not yet received a letter is asked to telephone the principal at 598-3791, or 598-2257.

Poncho Riders begin practice

The Legal Poncho Riders held their first meeting of the '74 season at the home of Jacques and Martha St. Martin. Preparations for the gymkhana at the Fete au Village were made.

There will be a gymkhana practice on Thursday, June 6 at 7:30 p.m. at the Legal gymkhana grounds.

Elections will be held at the next meeting in the home of Doug and Sharon Veitch on June 27, 8 p.m.

The Poncho Riders warmly welcome former members and new riders to the practice and meeting.

For further information phone Jacques St. Martin - 598-2270, Brian Durstling 598-3865 or Doug Veitch at 598-2399.

Vimy 4H Needles

By Rosanne Dubois

On Monday, May 20 the 4H Vimy Needles Sewing Club held a barbecue at the Vimy Campsite. It was a very pleasant day and we didn't let the mosquitoes bother us too much. We held our meeting and re-elected our leader Mrs. Brown. We also decided that our next meeting would be on the 11th of September.

After the meeting we had a delicious lunch of hamburgers, cake, cookies and tang served by the mothers and we would like to thank them very much for their co-operation.

MORINVILLE MEMOS

By Flo McGinnis

It looks as though the Morinville Mfg. Baseball Club is going to have another roaring season. They have won two and tied one out of the three games played so far since the season began. They defeated Vimy 3-1 (May 15), tied Rochester 8-8 (May 22,) and won out over Lamont 19-1 on May 26. Frank Vollmer reports that the team is really working at getting in shape for Frontier Daze Baseball Tournament.

Moe Butt has his new building fully completed now and Butt's Auto Body is back in the full swing of things. The new metal building 40' x 70' with an up to date paint booth and all the latest in equipment makes a pleasant addition to the business section of Morinville. With an attractive office space of some 16' x 40', sporting much window space and wall to wall carpeting, Peggy and Moe find it much more convenient. The Butts have extended an open invitation to everyone to drop in and view the new set-up. By the way, the new phone number down there is 256-3402.

For a note on the very light (?) side, Maurice Per-ras phoned in on Monday to tell me that he was sure that I must have advertised that the Credit Union had drive-in service. Apparently someone's car went slightly astray on Friday night and came to rest against (but not quite inside) one of the big plate glass windows. Must have been an error since Maurice said they neither made a deposit nor withdrew any funds.

Congratulations to proud parents Jeannette and Melvin Hittinger on the arrival of their second son, Douglas

Jeffrey, born May 17 and weighed in at 7 lbs. 13 ozs, and is a welcome playmate for big brother J.J.

Recent visitors to Morinville were Gloria Ellis' two sisters Irene and Carolyn, along with Irene's little two year old Melanie. The girls flew out from Malpeque, P.E.I. and spent two weeks visiting with Gloria and family.

Morinville residents are reminded to get their house numbers up as quickly as possible. Don't forget the deadline of June 15.

A last minute note here from the Frontier Daze Committee. The big VIP Baseball Game that will take place on Saturday, June 22 will see the Oilers meeting the Media. More details are promised next week!

New features added to Frontier Daze

By Flo McGinnis

Dress up for Frontier Daze and you may win in one of the categories of the "Fashion Parade" to be held on June 22 immediately following the dinner hour.

Morinville is encouraging each and every person who plans on attending Frontier Daze "Salute to the Senior Citizens" to don some type of 'frontier outfit' and join in the fashion parade. It is hoped that, again this year, there will be many family groups showing off their togs.

To get everyone in the proper spirit of things, the two-day Frontier Daze celebration will kick-off with a mammoth Street Breakfast beginning at 7:30 a.m. on the Saturday. Plenty of hot coffee along with flapjacks

and all the trimmings will be available to everyone in attendance free of charge. Taking place in the Rec. Centre parking lot the breakfast is a great way to get 'in-the-swing' and gives time to get the best vantage point for the big parade which goes ahead at 10:30 sharp.

Trophies and cash prizes will be awarded in a number of areas during the Saturday and Sunday events. Some of these are: baseball, tug-o-war, cycle racing, demolition derby, parade floats and decorated bicycles.

For the first year Frontier Daze will include CANOE RACES. There will be competition for ladies, men and teens. Following the Sunday Church Services the canoe races will be held at Heritage Lake (man-made lake) and should prove to be a very interesting event. Entries are now being accepted, and canoes will be provided. Call Maryann Gibeault at 256-3470 to get your entry forms.

Entries are also being accepted now for two other major events that will take place during Frontier Daze, these are: tug-o-war and cycle racing. There will be two categories in the cycle racing - and open event, and one for 10 speed. You may contact either Gary Smith at Vanier High, or Herman Wiedle at Notre Dame Elementary.

The Tug-o-War, with a trophy offered to the strongest team, is shaping up into a big event, but so far there are not many entries from out of town teams, but they are challenging anyone to try and get the trophy. If you wish to enter a 10 person team for this event please call Flo McGinnis at 256-3435.

CARD OF THANKS

It is our wish to offer our gratitude to all our relatives, friends and neighbors for their overwhelming concern and sympathy. Their donations and flowers, cards and kindness in the recent loss of our beloved husband, father, grandfather and great grandfather. We extend special thanks to the Rev. Black, Drs. McDonald and others who assisted. Nurses and staff on the third floor of the Sturgeon General Hospital, Ron Nelson for singing. Also those who helped with the lunch and Howard McBride's Funeral Home.

Malzie Stubbs and Family.

Report from Bon Accord

By Sadie Allen

The main street of Bon Accord underwent a transformation on Saturday with an application of black top. Very nice!

A set of two keys on a black key ring was lost the night of the last dance - May

11th. Anyone who may have picked them up is asked to contact Floyd Bjerke.

Congratulations to Elsie and Jerry Belzlik on the birth of their daughter, Sherri Lynn, 6 lbs. 15 ozs. on May 19.

A correction re the new management of Triple R Esso. Mr. and Mrs. Grant Dodds and sons are leasing the station. It is still owned by Mr. and Mrs. Ray Rapier.

Bon Accord girls attending LaZerte copped off several firsts for their school in the last two city divisional high school meets. Winner of the senior girls 55-metre, 100-metres and the Long Jump was Jan Bourdan; 440-yds. was Sharon Draper while Jan, Sharon, Karen and Lynn McEachren picked off the Relay. For the junior division Jacquie Morris won both the Shot Put and Discus. Congratulations girls.

In league softball, Gail's Girls have topped all four

city teams played to date by a substantial margin.

Bon Accord students managed a one point margin over the Gibbons students in the inter-school track meet held at Gibbons on May 31.

Teachers, parents and friends gathered at the school on May 31 to honor the grade 9 graduands. M.C. for the occasion was Karen Krysko. Following a delicious buffet supper, guests at the head table were introduced by Karen. The address to the graduating class was given by retiring principal, Mr. John Pasemko. A special guest was Mrs. St. Arnault, who piloted the grade niners through their second year at school. Reports on sports activities were given by the

coaches in charge, Mr. McKinley, Mrs. Peel and Mr. Goulet. Several teachers will be missing from staff when school convenes next fall. Both Mrs. Koentopp and Mr. Pasemko are retiring. Mr. McKinley is going to England as an exchange teacher and Mr. Els and Mrs. Campbell are leaving. A dance in the school gym rounded out the evening.

There will be a miscellaneous shower in honor of Miss Carol Hodgins in the Bon Accord Community Centre on Sunday, June 9 at 2:30 p.m. Ladies are requested to bring lunch.

The Ladies Community Club will meet on Wednesday, June 12 at the home of Mrs. Rose Ruth at 8 p.m.

The Mens' baseball team have played two league games, both against Rochester, tying the first and coming up with a 3-2 win on Sunday. They will be playing Fort Saskatchewan in tournament ball at the Fort on Saturday, June 8 at 3 p.m.

A reminder of the appreciation night being held for John Pasemko on Saturday, June 15 at the school. Donations may be left with Mrs. Helen McKenzie, Mrs. Rose Ruth, Mr. Taras Ferbey or Mrs. Mary Jane Brown.

Ladies softball team has played two games, winning over Redwater and losing to Thorhild. Sandy Herd is coaching the team and is being assisted by Connie Crozier.

News from Gibbons

By Shirley Steinwand

The Phoenix Jr. Mens Volleyball team have just returned from Hamilton, Ont., where they competed in the Canadian National Volleyball playoff, held May 24 and 25 at McMaster University. Gary and Grant Noel of Gibbons district, Hal Booth of Namas and Terry Willsko from Edmonton were all members of the M. E. LaZerte volleyball team before joining the Phoenix team. Their coach is Rick Curtis and manager is Carl Royan, recreation director of Sturgeon Municipality.

The team made a very good showing for themselves and should be congratulated for their efforts. They were finally defeated by the Manitoba Bucks after winning the first game against them. Manitoba went on to win the tournament for the fourth year.

The Phoenix team won the Alberta Junior Mens Championship at Lethbridge on April 6, achieving the honor of representing Alberta in Hamilton.

While in Ontario, the team took time to visit Niagara Falls and Toronto before returning home.

Congratulations to all the team members and to Rick and Carl for giving so much of their time.

The World Book Encyclopedia and Child Craft have arrived at the library and should soon be on the shelves.

The library will close for three weeks this summer so that the librarian can take a much needed holiday. It will close July 19 and re-open August 8. Don't forget the new library hours as of June 15 - will be open Saturday mornings, instead of after-

noons.

The Library Board would like to take this opportunity to thank Mrs. Walmsby for giving so freely of her time.

The hardware store is now under new management. New manager is R. Gainer.

Welcome to Mrs. Minnie Walmsby, of Birmingham, England, who arrived in Gibbons on Tuesday. Mrs. Walmsby will be making her new home with her son, Harry of Gibbons.

Congratulations to Mr. and Mrs. Eddy McLean on the arrival of their daughter, Tanya Lynn, born May 25, 9 lbs. 11 ozs.

All the parents of Grade 1 and 1 - 2 students would like to thank Mrs. Duthie and Mrs. Bowman for the field trip to Alberta Game Farm on May 29. They left Gibbons at 9:30 a.m., on the bus, had a picnic lunch at the picnic grounds and returned at 3:30. A very good time was had by all. Several mothers were also on hand to help supervise.

Mr. and Mrs. Henry Draper of Sechelt, B.C., are visiting with Mr. Draper's sister and brother-in-law, Mr. and Mrs. Harvey McLean.

Get well wishes go out to Helen Rigney in the University Hospital.

LADIES FASTBALL

May 28 - Thorhild at Gibbons; score: Gibbons 13 - Thorhild 10.

May 30 - Gibbons at Redwater; Score: Gibbons 26 - Redwater 3. Well done, Gibbons!!
